What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including coverage restrictions and cost sharing.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
 - Check the changes in the 2025 "Drug List" to make sure the drugs you currently take are still covered.
 - Compare the 2024 and 2025 plan information to see if any of these drugs are moving to a different cost-sharing tier or will be subject to different restrictions, such as prior authorization, step therapy, or a quantity limit, for 2025.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies, will be in our network next year.
- Check if you qualify for help paying for prescription drugs. People with limited incomes may qualify for "Extra Help" from Medicare.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- ❑ Check coverage and costs of plans in your area. Use the Medicare Plan Finder at the www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2025* handbook. For additional support, contact your State Health Insurance Assistance Program (SHIP) to speak to a trained counselor.
- ❑ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2024, you will stay in MCS Classicare Platino Máximo (HMO D-SNP).
- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2025**. This will end your enrollment with MCS Classicare Platino Máximo (HMO D-SNP).
- Look in Section 4.2, page 14 to learn more about your choices.
- If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

On January 1, 2025, MCS Advantage, Inc. (MCS Classicare) will be combining MCS Classicare Platino Del Sur (HMO D-SNP) with one of our plans, MCS Classicare Platino Máximo (HMO D-SNP). The information in this document tells you about the differences between your current benefits in MCS Classicare Platino Del Sur (HMO D-SNP) and the benefits you will have on January 1, 2025 as a member of MCS Classicare Platino Máximo (HMO D-SNP).

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

Cost	2024 (this year)	2025 (next year)
<p>Maximum out-of-pocket amount</p> <p>Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum. You are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.</p> <p>Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.</p>	<p>\$3,400</p>	<p style="text-align: center;">\$3,400</p> <p>Once you have paid \$3,400 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.</p>

Section 2.3 – Changes to the Provider and Pharmacy Networks

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Updated directories are located on our website at www.mcsclassicare.com. You may also call our Call Center for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of providers for next year. **Please review the 2025 Providers and Pharmacies Directory www.mcsclassicare.com to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2025 Providers and Pharmacies Directory www.mcsclassicare.com to see which pharmacies are in our network.**

Section 2.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or Drug List. A copy of our Drug List is provided electronically.

We made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs, or moving them to a different cost-sharing tier.

Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the plan year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you are taking, we will send you a notice about the change.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. You can also contact our Call Center for more information.

We currently can immediately remove a brand name drug on our Drug List if we replace it with a new generic drug version with the same or fewer restrictions as the brand name drug it replaces. Also, when adding a new generic, we may also decide to keep the brand name drug on our Drug List, but immediately add new restrictions.

Starting in 2025, we can immediately replace original biological products with certain biosimilars. This means, for instance, if you are taking an original biological product that is being replaced by a biosimilar, you may not get notice of the change 30 days before we make it or get a month’s supply of your original biological product at a network pharmacy. If you are taking the original biological product at the time we make the change, you will still get information on the specific change we made, but it may arrive after we make the change.

Some of these drug types may be new to you. For definitions of drug types, please see Chapter 12 of your *Evidence of Coverage*. The Food and Drug Administration (FDA) also provides consumer information on drugs. See FDA website: <https://www.fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients>. You may also contact our Call Center or ask your health care provider, prescriber, or pharmacist for more information.

Changes to Prescription Drug Benefits and Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.**

Beginning 2025, there are three **drug payment stages:** the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program will no longer exist in the Part D benefit.

The Coverage Gap Discount Program will also be replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of the plan’s full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program do not count toward out-of-pocket costs.

Changes to the Deductible Stage

Stage	2024 (this year)	2025 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2024 (this year)	2025 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy. For information about the costs, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>. Most adult Part D vaccines are covered at no cost to you.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>You pay \$0 copayment per prescription.</p> <hr/> <p>Once your total drug costs have reached \$5,030, you will move to the next stage (the Coverage Gap Stage).</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>You pay \$0 copayment per prescription.</p> <hr/> <p>Once you have paid \$2,000 out of pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>

Changes to the Catastrophic Coverage Stage

The Catastrophic Coverage Stage is the third and final stage. Beginning in 2025, drug manufacturers pay a portion of the plan’s full cost for covered Part D brand name drugs and biologics during the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program do not count toward out-of-pocket costs.

If you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in the Catastrophic Coverage Stage, look at Chapter 6, Section 6, in your *Evidence of Coverage*.

SECTION 4 Deciding Which Plan to Choose

Section 4.1 – If you want to stay in MCS Classicare Platino Máximo (HMO D-SNP)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our MCS Classicare Platino Máximo (HMO D-SNP).

Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2025 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2025* handbook, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

As a reminder, MCS Advantage, Inc. (MCS Classicare) offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from MCS Classicare Platino Máximo (HMO D-SNP).

- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from MCS Classicare Platino Máximo (HMO D-SNP).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact our Call Center if you need more information on how to do so.
 - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 5 **Deadline for Changing Plans**

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2025.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

Because you have Puerto Rico Department of Health - Medicaid Program, you can end your membership in our plan any month of the year. You also have options to enroll in another Medicare plan any month including:

- Original Medicare with a separate Medicare prescription drug plan,
- Original Medicare without a separate Medicare prescription drug plan (If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment, or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

If you enrolled in a Medicare Advantage plan for January 1, 2025, and don't like your plan choice, you can also switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2025.

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

SECTION 6 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Puerto Rico, the SHIP is called Programa Estatal de Asistencia Sobre Seguros de Salud.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Programa Estatal de Asistencia Sobre Seguros de Salud counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Programa Estatal de Asistencia sobre Seguros de Salud at 1-877-725-4300 (Metro Area), 1-800-981-0056 (Mayagüez Area) or 1-800-981-7735 (Ponce Area). You can learn more about Programa Estatal de Asistencia sobre Seguros de Salud by visiting their website (<https://agencias.pr.gov/agencias/oppea/educacion/Pages/ship.aspx>).

For questions about your Puerto Rico Department of Health - Medicaid Program benefits, contact the Puerto Rico Department of Health - Medicaid Program at 1-787-641-4224, 787-625-6955 (TTY/TDD), Monday through Friday from 8:00 a.m. to 6:00 p.m.. Ask how joining another plan or returning to Original Medicare affects how you get your Puerto Rico Department of Health - Medicaid Program coverage.

SECTION 7 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in “Extra Help,” also called the Low-Income Subsidy. “Extra Help” pays some of your prescription drug premiums, yearly deductibles and coinsurance. Because you qualify, you do not have a late enrollment penalty. If you have questions about “Extra Help”, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - Your State Medicaid Office.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Health Insurance Assistance Program (HIAP) - Ryan White Part B / ADAP Program - Puerto Rico Department of

Health. For information on eligibility criteria, covered drugs, how to enroll in the program or if you are currently enrolled, how to continue receiving assistance, call the Health Insurance Assistance Program (HIAP) - Ryan White Part B / ADAP Program - Puerto Rico Department of Health at 787-765-2929, exts. 5103, 5136, 5137. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
